

MEASUREMENTS

Please note:

- **All measurements** requested are **required** for proper fit of costumes. Please do not leave any blank.
- A **signed contract** must **accompany** measurement sheets in order to **secure** your requested costumes.

Height: Measure from head to floor while wearing proper shoes

Chest: Measure just under arms and across shoulder blades with arms relaxed at sides. Keep tape level.

Waist: Measure around waist at navel.

Inseam: Measure inside of leg while standing. For breeches, from crotch to 2" below knee. For trousers, from crotch to desired length at ankle.

Outseam: Measure outside of leg while standing.

Neck: Measure around neck, just above shoulders.

Sleeve: Measure from center back of neck across shoulder and down the outside of the arm to the wrist. Have arm relaxed at side and slightly bent.

Shoulder to Shoulder: Measure across back from shoulder point to shoulder point.

Hat: Measure around crown, just above the ears. Keep tape level.

Height: Measure from head to floor while wearing proper shoes

Bust: Measure around the fullest point of the bust, across shoulder blades. Keep the tape level. Note: Do **NOT** give a bra size.

Waist: Measure around waist at navel.

Hips: Measure around fullest part of seat while standing.

Waist to Knee: Measure from waist to the top of the knee.

Waist to Floor: Measure from waist to the floor.

Arm Length: Measure from top of shoulder to wrist.

Neck to Waist: Measure from base of neck to the natural waistline.

Overarm: Measure chest with arms at sides.
